

Lasotronix

Lasers for generations

We would like to inform you that Lasotronix attended 29th Kazakhstan International Exhibition "Healthcare" - KIHE 2023 from May 17 to May 19, which was held at the Atakent KCDS in Almaty, Kazakhstan. Thanks to our partner for supporting and assisting us at the stand. We are delighted that very soon clinics in Kazakhstan will be using our cutting-edge high-tech medical lasers in their daily practice.
